After the splendid treatment. Fisherty's team received on the local diamond, the Airlie team expected to get at least half a show when they went o Montville.

to Montville.

Upon arriving at the field in Montville Saturday, we were surprised at the smallness of the crowd, there being only about a dozen Montville people at the game, besides a few youngsters. The rest of the "crowd" was made up of a few Hanover people. We inquired as to the alimness of the crowd and were told that every team that went to Montville was robbed of the game. This had so disgusted the townspeople that they refused to that went to Montville was robbed of the game. This had so disgusted the townspeople that they refused to patronise the team. That the Montville fans are fully justified in their attitude was quickly proven to us.

The reasting began on the very first play of the game. Windsor, the first man up for Airlie, smashed one too hot for the gloristop to handle. On the next ball pitched Windsor stole second cleanly, but was waved out by the umpire, when to all the same pospile on the field he was easily safe. But the worst was yet to come. With a man on first, "Norm" Standish knocked an easy relies down toward first base, three feet outside the line. The first base three feet outside the line. The first base and fall headings. When he picked the hall up he was ordered to held the ball when the second from whence the ball. The base hit kins:

Business on Market Decidedly Small

and Price Changes Insignificant.

New York, July 34.—The stock mar-ket today manifested no decided ten-dency to get out of the rut into which it fell earlier in the week. Business was the smallest of any full session in

some time and price changes were without significance, though in a down-ward direction. There was a recur-

rence of the recent selling pressure against the leaders, but it lacked force. The electrical stocks and a few others were prominent for their ac-

Boston, July 24.—Maurice E. McLoughlin of San Francisco won the
Longwood tennis singles tournament
today by defeating E. P. Larned of
Summit, N. J., in the challenge match
of the Longwood cup in straight sets.
The scores were: 6-4, 6-3, 6-4, As
a result of the match the Longwood
cup goes out of the Larned family
for the first time in ten years.
When Larned won the All Comers'
tournament at Longwood last year his
brother, William A. Larned, then a
champton, who had won three previous
trophies outright, defaulted to the
younger player.
The match today was the first meeting in any large tournament of MoLoughlin and E. P. Larned and the
latter proved no match whatever for
the star. With a few strokes there
was never a moment that McLoughlin was not the master of the situation. His cross court covering was
aweening in extent as well as swift.

All line was returned to first. The umpire at
once declared both men out. It was
one of the rawest deals ever handed
out on a ball field. Even the Montville players, save Flaherty, admitted
the ball was a foul.

The Airlie team started to leave
the field, but Captain Park decided to
stick it out and put his team back in
the field, lit was here that the change
in the umpire was made. Everything
went along all right for a few minules, when with two Montville men
on the bases, the batter knocked a foul
ball along on foul ground, and the umpire Justity called it a foul. Flaherty
rushed out on the diamond and snatched the indicator out of the umpire's
hands and told him to "get out." The
Montville team left the field, so consequently there was nothing left for
the Airlie's but to de likewise.

Flaherty makes the statement in his
"comedy sketch" this morning that the

lin was not the master of the situation. His cross court covering was sweeping in extent as well as swift and sure. His net play was like a stone wall, while off the ground he hit hard and accurately throughout the three sets, in which 28 games were played only seven went to Deuce.

Dear Sir: The letter printed in today's Bulletin, signed by C. E. Flaherty of Montville, in regard to the Alrile—Montville game of last Saturday, is a huge joke. All those acquainted with Flaherty's methods in running the Montville games will appreciate this fact. However, there will be a few who will not understand the situation—hence this reply.

The Airlie team has played at Montville for the last three or four seasons. Every year we have had the same trouble—namely—poor unpiring. This has been the complaint of all teams who have ever played on the Montville grounds. The Montville team who have ever played on the Montville grounds. AMERICAN ATHLETES IN BERLIN GAMES Melvin W. Sheppard Sets New Record for 1,000 Metres-Rose Breaks Stone

Berlin, July 24.—Several of the members of the American Olympic learn were winners in the games held here today. Melvin W. Sheppard of the Irish-American A. C. won the 1,000 metres, establishing a new record of 2 minutes 229-19 seconds, which is 41-10 seconds better than the German record.

Ralph Rose bettered the 15 centimaters (nearly 6 inches), the record for ,
putting the square stone weighing 262-3 pounds, though he had never taken part in this event before.

Don Lippincott, University of Pennsylvania, easily defeated the German sprinter, Rau, in the 200 metres dash.

The Americans, with the exception of Rose, left tonight for Budapest.
